SERVICE PROJECT *Pillow Case Project*

Advocates for Children Pillowcase Project is an easy way for your company and your employees to get involve with Advocates for Children. Our Pillowcase Project provides children at Flowering Branch Children Shelter and our Hope in Your Home program with pillowcases containing toiletries and hygiene items (soap, toothpaste, toothbrush, shampoo, brush, etc.). Households from our Hope in Your Home Program that cannot afford basic hygiene products cut back on, or sacrifice, food in order to pay for items like body soap, deodorant and shampoo. Our efforts make sure that no households and children has to choose between food and hygiene products.

Our one-of-a-kind approach to solving the lack of access to basic hygiene products. We bring all necessary items to your location. Your employees help assemble hygiene products. They will also have a chance to decorate each pillowcases.

The **Advocates for Children Pillowcase Project** is scalable to fit your needs. For a small investment of \$500, your company will build and assemble 50 pillowcases.
