

5 Easy Steps to Host a Donation Drive

TOGETHER
WE THRIVE

Hosting a Donation Drive in Your School, Church, or Community is a great way to support the children and families served by Together We Thrive.

Step One: Decide what type of donation drive you would like to host and decide where to collect the items donated.

Step Two: Use one of our customizable donation drive templates to advertise your donation drive or create your own posters and flyers.

Step Three: Share your donation drive with your friends, neighbors, family, and even through social media.

Step Four: Collect the items from your donation drive and let us know when you are able to deliver them to our office.

Step Five: Deliver your donations and know what an incredible impact your generosity has made in the lives of children and families!

TOGETHER
WE THRIVE

Advocates for Children's latest innovative program, Together We Thrive, instills hope, empowers, and strengthens families involved in the child welfare system who are struggling with poverty. Our goal is to stabilize families by providing concrete support while working with community partners to meet immediate basic needs, such as adequate housing, food, and healthcare to prevent the trauma of unnecessary foster care removal and help families thrive.
